

Yellow Class Newsletter

Hello Everyone,

Welcome back, we hope you had a lovely half term week.

This term our topic is FOOD and we will be using Goldilocks and the

3 bears and The Hungry Caterpillar books

We will be exploring these through play and activities throughout the term.

Dates for your Diaries

We will be having a music concert on **February 21st** from 2pm with live music, there will be 2 ½ hour sessions so all classes will be able to enjoy and participate..

Please find attached the class timetable and feel free to come in to see any of the sessions if you are interested, and ask any of the team if you have any questions.

Voxer App

We will always endeavour to update you with details about your child's sessions and of what has happened in school.

We apologise if this does not happen on occasions through us being too busy in class or due to unforeseen circumstances. The Voxer app is also for you to inform us of information such as appointment dates or share any good news or photos with us.

Letters

Please can you remove any letters that you have received from your child's bag so that we know that any letters we find are ones that you have returned for our attention. Thank you.

Snack

We always welcome any donations for snack, currently Raisins and crackers are proving most popular. We have a delivery of fruit/vegetables each day but some fruits and vegetables are definitely more popular than others!

We appreciate that your child may have issues around food/drink or may be on a specific diet or feeding programme. If this is the case, please inform a member of the team and provide any resources or equipment that your child will need or any specific snacks/drinks for your child if you are concerned that they may not eat or drink what is available.

If your child uses a certain cup, again, please let us know. We have a supply of beakers and spout cups in class.

Please let us know if your child has any known allergies or if there are any foods or drinks you do not wish them to have, otherwise we will assume that you are happy for us to offer them any foods or drinks that are available each session.

'WOW!' Moments

We are keen to share the special moments that you have with your child at home. Please send us in a WOW moment, when your child does something that makes you go WOW! No matter how small, or what it is, please share it with the team. We look forward to reading your Wow moments!

Nappies/wipes and Clothing

For those children who are in nappies, we can keep a supply in our bathroom area. When they are running out we will let you know via Voxer. Please ensure we have spare clothes for your child in school as we have lots of messy play and often need at least one available change of clothes. Please ensure that your child has appropriate outdoor clothing for the changeable weather and that your child's clothes and belongings are clearly labelled. Outdoor education is extremely rewarding but we do need to be dressed appropriately!

We would also welcome any contributions of clothes that you no longer need. We always seem to have a shortage of socks and trousers so any donations would be gratefully received, especially if they are of a larger size!

Money

Please send any money to school in an envelope marked clearly with how much is in there, your child's name and what it is for.

Medication

If you would like us to give your child any medication or to apply creams and lotions, please ensure you have filled out a consent form beforehand and send it in the original pharmacy labelled and dated packaging. We cannot give medicines unless we have a completed, signed and dated medication form. Please do not send medicine without one, as we are not allowed to give it to your child. Please also let us know if there are any changes to your child's medication.

Please remember that if your child has been sick or has had a bout of diarrhoea please keep them off school for 48 hours from their last episode of sickness/diarrhoea. We have this policy in place to protect not only your child but other children and staff as well.

Could we also ask that if your child is ill and unable to come to school that you could find the time to ring us and let us know. We are unable to take messages from taxi drivers and we cannot complete our registers until we have a reason for absence. Thank you for your assistance in this matter.

Please keep us informed of any changes to telephone numbers, addresses and contacts so that we have an up-to-date record. Please let us know if there are any other changes that we need to know regarding your child too. You can do this by talking directly to a member of the team in class or by letting us know via Voxer.

Remember you are always welcome to visit Yellow Class. We want to work with you to help your child. If you want to talk to us we will find a time to be available.

Best wishes

Nikki, Caroline, Katie and Lou
